The Daily Worker's Disregard for Special Notice on Cover of FBIB
Daily Reports

REFERENCE: Attached extract from the 28 July 1948 Daily Worker and CIA Official
Routing Slip

1. Records of this office indicate that the FBIB Unclassified
Daily Report of Foreign Radio Broadcasts is furnished to the following
addressee:

Daily Worker
954 National Press Building
Washington, D. C.

2. The article attached hereto is apparently based on page EH 2,
European Section, FBIB Daily Report No. 361--1948, which page as well as
the cover of that particular report is attached hereto.

3. It is concluded that the Daily Worker has flagrantly ignored
the special notice on this cover in mentioning both the FBIB and the
Central Intelligence Agency as the source of its information.

4. It is recommended that the addressee listed in paragraph 1
above be deleted from the FBIB mailing list immediately and without
notice.

5. If the recommendation contained in paragraph 4 above is
favorably considered, it is suggested that concurrence of the Office
of the Director of Central Intelligence be obtained before final action
is taken since it is possible that this action may bring CIA greater
publicity than that already contained in the article in question.

This document is part of classified
integrated file.
If separated from file, document is
unclassified.
